

Friends of Vinall Park Newsletter

AUTUMN 2020

From the Committee of Friends of Vinall Park

Our Aim

is to preserve, promote and enhance Vinall Park as an urban green space for the use, enjoyment and well-being of local residents and visitors.

We welcome ideas from residents on what you would like to see happen on the park – let us have your opinions by email to info@vinallpark.org

Bulb Planting event

We will have our bulb planting weekend on 14 and 15 November. An area near Cecil and Locarno has been chosen. Please email us at info@vinallpark.org to show interest in attending this event. We are looking for donations of bulbs please and would love every household to be represented on our park. Due to COVID we still can only have groups of up to 6 on the park at any one time so we may need to stagger the planting over that weekend. Children are really welcome to come and plant

Signs

We have arranged some new signs to keep our park clean and dog poo bag dispensers at the dog bins

New trees

We are planning to plant 2 new trees during Tree Week in early December. These will replace trees that have been removed in the past
